**The offering for July is for the support of MARTIN and JOYCE CAMPBELL** who are serving the Lord on the staff of the WEC training college in New Zealand. The college trains prospective missionaries from many parts of the world e.g. Mexico and Italy etc, with new applicants this year from Vietnam and Vanuatu. Martin and Joyce are kept very busy, leading , teaching and doing pastoral care in the full to capacity college. There are plans to extend the college to cope with demand for places and trusting the Lord to provide funds in these challenging financial times. Their leadership roles require them to keep up their own qualifications and so both are currently doing Masters courses through a UK college. Their boys are busy with studies too, the eldest 2 are at university and the younger one is at high school. Martin is also busy as a speaker at mission conferences in the Pacific region. The whole family greatly appreciate our prayerful and practical support and Martin hopes to visit us next May.

**The offering for August** is for the support of the **SOUTH EAST ASIA BIBLE COLLEGE** in Yangon, Myanmar. This college was founded in 2002 and has been supported by us, through auspices of Echoes of Service, since 2009. The present course has 60 students from about 20 different ethnic groups. As well as their studies, the students spend several months each year doing practical evangelism throughout the country. This year, this included helping to run a children's camp attended by over 200 kids and one for 218 teenagers, many of whom trusted the Lord and 17 were also baptised. This is a predominantly Buddhist country. By our partnership with the two ministries highlighted in July and August, we have the opportunity to play our part in the fulfilment of our Lord's command to take the Gospel to the ends of the earth.
