The offering for JANUARY is for the ministry of the LUWERO COMMUNITY PROJECT in Uganda, run by our dear brother GABRIEL and his wife DEBORAH. We were blessed by having our brother visit with us here at the beginning of November and giving us an update on the work "straight from the horse's mouth" as it were. The school continues to expand and a dormitory for the secondary pupils is presently under construction. They also hope to purchase more land on which to grow their own food. In October 2017 another group of teachers and pupils from Duncanrig visited Luwero and it was great to hear their reports also. One of the highlights of 2017 was their annual youth camp which was attended by 1000 young people, including 65 young refugees from South Sudan. Gabriel has had some health problems in the past year, so it is important that we pray that God will continue to guard and protect them, supply their every need and guide their every decision. We are greatly privileged to have this deepening partnership with the Luwero Project.

Housegroups will recommence during January with studies in the book of Psalms. Housegroup leaders will advise when their group will restart. If you have not joined a group and would like to, please speak to Dave Gamble who will be happy to sort out a group for you.

Christianity Explored - another series of Christianity Explored nights will be starting at the church on **Tuesday 23rd January at 7pm**. All are welcome. Please come along if you'd like to learn more about the Christian faith and please also think to invite others along too. Each night starts with dinner and then an informal time of reading and discussion. If you'd like to find out more, please ask Elaine Salina, Paul Salina or James Dale.
