The October Offering is for the work of **Foundation Totai**, a Scottish based charity which supports and promotes the ministry of a work in Trinidad-Beni, Bolivia. We have been supporting this work since 2004. It seeks to meet the physical and spiritual needs of the mainly rural community through 4 main ministries i.e. Health, Sport, Education and Community Involvement. Totai Health workers provide around 23,000 consultations per year which include general practice , paediatrics, dentistry and their specialist area audiology with people travelling hundreds of miles to receive inner ear micro surgery. Sports works with around 150 local children in football/basketball training which also includes Bible lessons. Education and Community works with children whose parents are in prison and they live there too. With the local school they provide RE lessons, meals and fun time. Most of the services provided by TOTALI would otherwise be unavailable or unaffordable in the region. They work in partnership with a local evangelical church “El Jirey” (God will provide)

Flower Ministry - Sunday 8th

Agnes Prentice will be in the foyer collecting our annual contribution (£5) to this very worthwhile ministry. This work continues quietly in the background throughout the year and it is much appreciated by all.
