The offering for FEBRUARY is for the ministry of **Pop UK** . Our whole team, including our Trustees, very much appreciate Westwoodhill's interest and support in our work. Westwoodhill was one of the first churches we ever worked with. As you know, over the twelve years we have developed a solid business model where schools and churches contribute to the costs of the project. However, we are now finding that some schools & churches,, no longer can afford to contribute. We are therefore launching new, slimmed down versions of the five-day project - a one-day taster project and a two-day more affordable project. We're also having to come up with other new ideas to keep income coming in, we are forming a new sustainable business model that will involve some new initiatives. We are confident that over time schools will want these new initiatives but, at the moment, we have a cash flow crisis and unless more projects come into the diary, we only have funds available to pay salaries until April. We need to make churches and individuals, who have faithfully supported us over the years, aware of our situation so they can pray and give as the Lord leads. May God continue to richly bless Westwoodhill as you continue to reach out to people in your community. People who desperately need to experience God's love and grace in their lives.

Blessings to you all, Andy Silver
